

## ***SPIRIT Parent Golf Association***

Coaches of Champions are men who agree and commit to play a round of golf once a month with a child from a single parent family.

We will use the game of golf to mentor and foster relationships with children from single parent families.

We will do our best to partner the children with men and women who model the behaviors we desire for the children to exhibit. Background checks will be done to assure we are creating a safe place of trust.

The process of mentoring for SPIRIT is simple and fun. G.O.L.F. with them.

Get involved in their life.  
Observe their behavior.  
Love them unconditionally.  
Father them; stand in the gap.

If you don't play golf, learn and bring a child from a single parent family to learn with you.
